Okaloosa-Walton Transportation Planning Organization
Federally Obligated Projects List for Fiscal Year 2026

Prepared for

Prepared by and staff to the Okaloosa-Walton TPO

November 18, 2026

Staff Contact
Gary Kramer, Transportation Planner IV
gary.kramer@ecrc.org

Purpose of this Report:

The Infrastructure Investment and Jobs Act (IIJ Act) transportation legislation enacted by Congress in November 2021 requires an annual listing of obligated projects{23CFR 450.334} (a) In metropolitan planning areas, on an annual basis, not later than 90 calendar days following the end of the program year, the State, public transportation operator(s), and the MPO shall cooperatively develop a listing of projects (including investments in pedestrian walkways and bicycle transportation facilities) for which funds under 23 U.S.C. or 49 U.S.C. Chapter 53 were Obligated in the preceding program year. (b) The listing shall be prepared in accordance with 450.314(a) and shall include all federally funded projects authorized or revised to increase obligations in the preceding program year, and shall at a minimum include the TIP information under 450.326(g)(1) and (4) and identify for each project, the amount of Federal funds requested in the TIP, the Federal funding that was obligated during the preceding year and the Federal funding remaining and available for subsequent years. (c) The listing shall be published or otherwise made available in accordance with the MPO's public participation criteria.

The purpose of this report is to report on Federal funding obligations in the Okaloosa-Walton Transportation Planning Organization (TPO) that took place within the planning area during Fiscal Year (FY) 2025-2026, which covers October 1, 2025 to September 30, 2026. The Federal Highway Administration (FHWA) defines "obligation" as "the federal government's promise to pay a State for the Federal share of a project's eligible cost." Obligated projects were not necessarily initiated or completed during this year. The obligated amounts reflected in this report also may not be equal to the final project cost.

Background

Federal Law require states and local governments to conduct cooperative, comprehensive, and continuing ("3-C") transportation planning in order to receive federal funds for highway and transit improvements. The Okaloosa-Walton TPO was established by designation of the governor of Florida and an interlocal agreement in 1981, following the 1980 Census. The TPO Planning Area includes the southern portions of Okaloosa and Walton counties. Crestview

and DeFuniak Springs are also included as urban clusters. The current interlocal agreement was approved on February 19, 2015 (Resolution O-W 15-03). Apportionment of membership was approved by the TPO on September 19, 2013, submitted to and approved by the governor in April of 2014, and was used to revise the TPO Interlocal Agreement. This was the result of the 2010 Census and from a request from Walton County to include a Freeport as a representative. An updated apportionment of membership was approved by the TPO on August 17, 2023, submitted and approved by the governor on August 8, 2024. However, the board membership and composition did not change.

According to Section 339.175, Florida Statutes, TPO board members shall be local elected officials. The current membership of the Okaloosa-Walton TPO is made up of:

- Four (4) members from Okaloosa County Commission
- Three (3) members from Walton County Commission
- Three (3) members from Crestview City Council
- Two (2) members from Fort Walton Beach City Council
- Two (2) members from Destin City Council
- One (1) member from Niceville City Council
- One (1) member from DeFuniak Springs City Council
- One (1) member from Valparaiso City Council
- One (1) member from Freeport City Council
- One (1) member from Mary Esther City Council

The Emerald Coast Regional Council (ECRC) provides the designated professional staff to the Okaloosa-Walton TPO and performs the work required to maintain the continuing, cooperative and comprehensive (3-C) planning process. The ECRC serves seven (7) counties and is unique in its role in staffing three (3) separate TPOs (MPOs) in West Florida. A staff services agreement between the Okaloosa-Walton TPO and the ECRC, effective February 19, 2015, establishes this staffing arrangement.

This report contains the following information: Florida Department of Transportation's Annual Obligations Report and Public Transportation's Annual Obligations Report.
