

Emerald Coast Regional Council

Planner III - Transportation

Emerald Coast Regional Council is one of ten regional councils in the state of Florida. For more than 55 years, ECRC has supported its seven-county region in technical assistance, economic development, and planning across a multitude of disciplines, programs, and services. ECRC team members enjoy a generous benefit package and true work/life balance as they serve the area known for community, growth, and the unrivaled beauty of the Emerald Coast.

The Emerald Coast Regional Council is seeking a Planner III – Transportation Planning. Under the supervision and guidance of the Transportation Director, the Planner performs senior level and experienced professional planning work for the Emerald Coast Regional Council (ECRC). Develops planning studies and reports in support of new and updated plans, programs and regulations.

EXAMPLES OF ESSENTIAL FUNCTIONS:

- Performs advanced professional work and professional planning assistance to member communities on projects related to assigned area of responsibility
- Manages complex planning studies and development applications; reviews consultant proposals
- Receives, reviews, and may prepare monthly progress reports and invoices for projects related to assigned area of responsibility
- Develops project budgets, administers bidding process, and verifies contract expenditures and compliance
- Develops plans, studies and analyses on regional basis related to assigned area of responsibility
- Researches grant programs and writes or reviews final grants related to assigned area of responsibility; maintains reports and financial accounting for grant funded projects
- Oversees specialized planning functions such as large-scale new development proposals and transportation studies
- Serves as liaison between community groups, government agencies, developers and elected officials
- Identifies problems, issues, and opportunities that could be mitigated through better community planning; develops long range plans
- Coordinates the efforts of public and private groups that support assigned area of responsibility to encourage continued and increased support throughout the community
- Presents reports and other findings to staff, boards, and councils related to assigned area of responsibility
- May oversee the work of and provide training to consultants, interns, and lower-level planners
- Conducts research and prepares statistical reports related to assigned area of responsibility
- Reviews and processes complex plan amendments and related documents

(These essential job functions are not to be construed as a complete statement of all duties performed. Employees will be required to perform other related duties as assigned.)

MINIMUM QUALIFICATIONS:

- Bachelor's degree in urban planning, architecture, public policy or related field
- Five (5) or more years' planning experience
- Must pass a pre-employment drug screen and background check

PREFERRED QUALIFICATIONS:

- Advanced knowledge of a relevant specialization in transportation planning such as long-range transportation plans, pedestrian and bicycle plans, and transportation improvement plans
- Advanced computer skills
- GIS skills

KNOWLEDGE, SKILLS, AND ABILITIES:

- Advanced knowledge of principles and practices of research and data collection
- Advanced knowledge of the principles and practices of planning
- Skill in the use of Microsoft Office products (Word, Outlook, and Excel)
- Ability to review plans and apply provisions of the ordinances and codes to determine compliance with such regulations and to apply regulations to field conditions
- Ability to exercise good judgment and maintain confidentiality in maintaining critical and sensitive information, records, and reports
- Ability to use critical thinking skills to arrive at solutions and suggest improvements to processes
- Ability to clearly communicate and understand information in English, both orally and in writing
- Ability to establish and maintain effective working relationships with those contacted in the course of work
- Ability to manage multiple priorities to ensure that deadlines are met
- Ability to prepare clear, accurate and concise records and reports

PHYSICAL REQUIREMENTS:

Tasks involve light physical effort (i.e., some standing and walking, or frequent light lifting of less than 10 pounds) and minimal dexterity in the use of fingers and limbs in the operating of office equipment. This job operates in a professional office environment. Tasks may involve extended periods of time sitting at a workstation and utilizing a keyboard.

ENVIRONMENTAL REQUIREMENTS:

Tasks are regularly performed in a typical office environment without exposure to adverse environmental conditions (e.g., dirt, cold, rain, fumes).

SENSORY REQUIREMENTS:

Tasks require sound and visual perception and discrimination. Tasks require oral communications ability.

HOW TO APPLY:

Please visit <https://www.ecrc.org/employment> to obtain an application and instructions regarding submission. Candidates will not be considered until both the application and resume are received.
