

FLORIDA-ALABAMA TRANSPORTATION PLANNING ORGANIZATION

QUESTIONS RECEIVED FOR RFQ #2-2024: FLORIDA-ALABAMA TPO SIGNAL OPERATIONS CONTRACT

1. Are you only looking at companies that can do it all or would you look at a company that can do almost all of it and then partner with and sub out the system support like maintenance and repair?

Answer: Each team (prime consultant and subconsultants) needs to meet all eight items under "Work Tasks and Deliverables".
